Spring Tour
2006

Kingstree, SC • Sunday, May 21
11:00 a.m. - 4:00 p.m.

During the Revolutionary War, Kingstree was the site of encampments by both British and patriot forces. In the years following American independence, the town prospered, with cotton and tobacco as the top cash crops well into the twentieth century. Reminders of Kingstree's rich history can still be found by visitors in its many historical buildings, churches, and homes that remain beautifully preserved.
